Valedictory:

The valedictory function of the value added course on “**Leveraging techniques for enhanced learning**” organized by the Department of Pharmacology, was successfully conducted on 24/06/2025 at IQAC room. The course, which was scheduled from **19/06/2025 to 24/06/2025**, aimed to enhance students' knowledge and skills beyond the curriculum by providing exposure and academia relevant content.

The event commenced with a welcome address by Chief coordinator, **Dr. V. P. Patil**, who highlighted the objectives and key outcomes of the course. A brief overview of the course modules and participation statistics was presented, noting that 40 students enrolled and actively participated.

Dr. R. B. Kotnal, Director (R & D), graced the occasion and in his speech he emphasized the importance of continuous learning and appreciated the initiative taken by the department. He also encouraged students to apply the knowledge gained in real world contexts. Many student participants expressed appreciation for the course content and about the speakers. The program continued with felicitation of speakers followed by the distributed certificates to all the participants. Feedback from participants was collected at the end of function.

Dr. C. M. Setty, Principal, presided over the function and during his presidential remarks he motivated the participants by his inspired thoughts.

Mrs. Kavita Nesur, coordinator, anchored the whole event. The function concluded with a vote of thanks proposed by **Dr. Nanjappaiah H. M**, coordinator, followed by a group photograph and informal networking among attendees.
