On the occasion of National Librarian Day, the Department of Library and Information Centre organized a webinar focused on the importance and benefits of the subscribed e-resources provided by Clarivate-PROQUEST through the HELINET Consortium. The webinar was attended by 80 participants, including 11 faculty members, 40 postgraduate students, and 30 other students.

The event was inaugurated by Dr. B. M. Patil, Librarian, who welcomed all participants. Dr. Shridharakumar Biradar provided a brief overview of Dr. S. R. Ranganathan, the father of Library and Information Sciences in India. Our beloved principal addressed the audience, emphasizing the significance of e-resources in academic and research activities.

Key points highlighted by the speaker, Sri Srijith Shashidharan from Clarivate-ProQuest:

- Overview of the 2024 subscribed resources, including books, journals, and other materials.
- Steps for searching, accessing, and downloading resources from the HELINET Consortium.

- Techniques for evaluating sources for academic and research purposes.
- The importance and benefits of utilizing these resources effectively.

The webinar was an informative session, offering valuable insights into maximizing the use of digital resources available through the HELINET Consortium.

Interactive Session

The webinar included an interactive Q&A session, where participants had the opportunity to engage with the speaker and clarify their doubts regarding the use of Clarivate-PROQUEST resources. The session was highly engaging, with several participants actively participating and asking questions.

Conclusion

The webinar concluded with a summary of the key points discussed and a vote of thanks by Dr. Sudha Patil to all, the session provided valuable insights into the effective use of HELINET Consortium resources, empowering participants to enhance their research and academic work in pharmacy.

Feedback and Future Directions

Participants were encouraged to provide feedback on the webinar, which will be used to improve future sessions. The Department of Library and Information Centre plans to organize more such webinars to continue supporting the academic community with valuable resources and training.

Acknowledgments

The Department of Library and Information Centre extends its gratitude to Sri Srijith Shashidharan and all the participants for making this webinar a success.
