

**BLDEA's SSM COLLEGE OF PHARMACY
AND RESEARCH CENTRE, VIJAYAPUR.**

INVITATION

One-Day Faculty Development Workshop on

**"Understanding the Revised
B. Pharm Syllabus: NEP 2020"**

Organized by

Department of Pharmaceutical Chemistry
in collaboration with **IQAC Cell**

On 07th AUGUST 2026

Chief Patron

Shri M. B. Patil

President, BLDE Association and Minister for Large Scale & Medium Industries, Infrastructure Development, and District In-charge Minister for Bagalkot & Vijayapura, Government of Karnataka

Patron

Shri Sunilgouda B. Patil

General Secretary, BLDE Association and Member of the Legislative Council for Bagalkot & Vijayapura, Government of Karnataka

Chief Guest

Dr. R.V. Kulkarni

Registrar of BLDE (Deemed to be University)

Dr. C. Mallikarjun Setty
Principal

Dr. Sushilkumar Londe
IQAC Coordinator

Dr. Somashekhar M. Metri
Organizing Secretary

Coordinators

Mr. Ravi Revadigar | Mr. S G Teli | Mr. D. K. Teli
Mr. Shivanand Kolageri | Mr. Sandeep Umarani

Date: 07 August 2026,
Time: 9.00 AM
VENUE: IQAC Hall

BLDEA's SSM COLLEGE OF PHARMACY & RESEARCH CENTRE, VIJAYAPURA

Organized by

Department of Pharmaceutical Chemistry
in collaboration with IQAC Cell

One-Day Faculty Development Workshop on "Understanding the Revised B. Pharm Syllabus: NEP 2020"

ABOUT INSTITUTION

Pharmacists play a vital role in healthcare through careers in industry, research, clinical practice, and community pharmacy. Established in 1982, BLDEA's SSM College of Pharmacy & Research Centre, Vijayapura is one of Karnataka's premier institutions for pharmacy education. The college is affiliated with Rajiv Gandhi University of Health Sciences (RGUHS), Bengaluru, and is approved by the Pharmacy Council of India (PCI) and AICTE, New Delhi. It is proudly accredited with an A++ Grade by NAAC, becoming the first pharmacy college in India to achieve this distinction.

The institution offers D.Pharm, B.Pharm, Integrated PG, and M.Pharm programmes in six specializations, along with value-added certificate courses. With modern infrastructure, advanced laboratories, and a strong focus on research, the college has published over 500 research papers in the last five years, reflecting its commitment to academic excellence and innovation.

ABOUT DEPARTMENT

Established in 2007, the Department of Pharmaceutical Chemistry offers B.Pharm and M.Pharm programmes with a strong emphasis on quality education and research.

The department focuses on drug design, molecular modelling, medicinal chemistry, synthesis, characterization, and biological evaluation of new chemical entities. Advanced research areas include Computer-Aided Drug Design (CADD), molecular docking, QSAR, and molecular modelling, providing students with hands-on experience in modern drug discovery and development.

ABOUT WORKSHOP

The Department of Pharmaceutical Chemistry, in collaboration with IQAC, organized a One-Day Faculty Development workshop on "Understanding the Revised B.Pharm Syllabus : NEP 2020 and Basics of Python."

The programme focused on the revised B.Pharm curriculum under NEP 2020, outcome-based education, and Python fundamentals, equipping faculty with modern teaching strategies, digital skills, and practical knowledge for academic and research excellence.

SCHEDULE FOR WORKSHOP

Time	Resource Person	Topic
08:30 AM - 09:30 AM		Registration and Inauguration
10:00 AM - 10:40 AM	Dr R B Kotnal Professor and R & D Director BLDEA's SSM College of Pharmacy & Research Centre, Vijayapura	Overview of NEP 2020 and Revised B. Pharm Curriculum
