Date: 17th & 18th March 2026
Venue : Auditorium Hall, III Floor

ABOUT BLDE ASSOCIATION:

BLDEA (Bharatiya Lingayat Development Educational Association, Formerly Bijapur Lingayat District Educational Association) is a leading education organization in the North Karnataka region. It has a legacy of more than 100 years and 75 education institutions under its banner, which comprise professional institutes, colleges of humanities and social sciences, public schools and research institutes. BLDEA's goal is to use education as a tool to bring about social and economic transformation in the North Karnataka region, empower women and the oppressed, reduce social inequality in educational opportunity and contribute to national development. BLDEA runs over 75 institutions located in Vijayapura and Bagalkot districts, which are recognized as socially, economically and educationally backward areas by the then British Government and currently by the UGC, State Government and Central Government. BLDEA has laid considerable emphasis on imparting quality education, cutting across professional and general institutions and create new standards in research and allied activities. All its institutions have a reputation for their unwavering commitment to excellence and expanding the horizons of knowledge.

ABOUT COLLEGE:

BLDE Association's SSM College of Pharmacy and Research Centre was founded in 1982, and since then, it has earned great respect and reputation across the state of Karnataka for imparting quality pharmaceutical education. The college is affiliated with Rajiv Gandhi University of Health Sciences, Bengaluru, and recognized and approved by the Pharmacy Council of India, New Delhi. It is also accredited by The National Assessment and Accreditation Council with A** grade (The only affiliated Pharmacy Institution in India to get A** Grade)

Legacy of Excellence: our college has over 40 years of distinction in pharmaceutical education (established in 1982).

Research & Development: faculty and student grants of Rs. 2 crores and more than 10 patents.

Student Achievements: overall pass is more than 95%, 9 RGUHS ranks, 142 subject-wise ranks and 3 BEA ranks in previous academic year.

ABOUT APTI:

APTI an association founded by the pioneers of Pharmacy Education in India in 1966 by leading personalities like Prof. M. L. Schroff, Prof. G. P. Srivastava, and others, APTI, which is celebrating its 60 years of establishment, today it has more than 15000 life-members apart from a sizeable number of associate life-members and student members from all over the country.

ABOUT KSPC:

The Karnataka State Pharmacy Council is a statutory body constituted under an Act of Indian parliament called Pharmacy Act 1948 (Act No 8 of 1948), The main objective of Karnataka State Pharmacy Council is to regulate the professional practice to ensure only qualified registered Pharmacist would enter the profession to provide service to the patient. The prime responsibility of the Karnataka State Pharmacy Council is to grant registration to the eligible pharmacists and issue Registration certificate to the persons possessing requisite prescribed qualification as per the provisions of section 32(2) of the Pharmacy Act and to enforce the necessary provisions of the Pharmacy Act 1948. The State Pharmacy Councils are constituted by every state for the purpose envisaged in the Act and the each State frame its own Rules to govern the system without any prejudice to the Central Act. The Karnataka State Pharmacy Council, Bengaluru is unique in its activity and has been ahead with the time pace of technology.
