Report of an Event

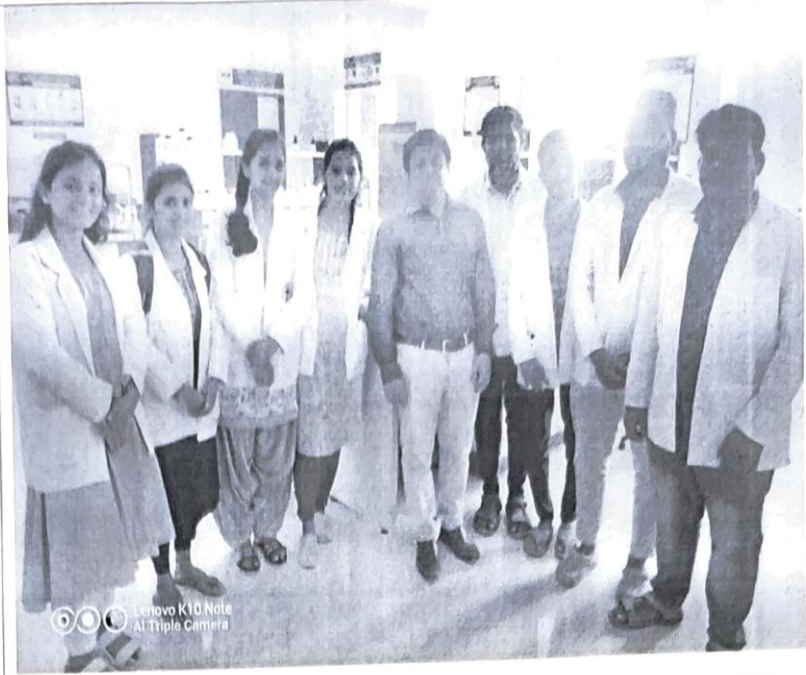

Three day Faculty development program cum Orientation program for young teaching faculty was organized by the Department of Pharmaceutical Quality Assurance, BLDEA SSM College of pharmacy and research center Vijayapur on 06th May 2024.

Workshop	
Quality Aspects In Pharmaceutical Industry	
Objective (s)	The main objective of the program was to enhance the knowledge and awareness among PG Students for upgrading the skills by hands on training as well as interactive session.
Title	Workshop on Quality Control and Quality Assurance in Pharmaceutical Industry.
Resource Person	Mr. Ajay Kulkarni , Assistant Professor, Sanjeevini College of Pharmacy, Vijayapur.
Target Participants	PG 1 st and 3 rd SEM Students, Junior Teachers
No. of Participants	20
Details	The resource person, Mr. Ajay Kulkarni conducted the workshop in two sessions. The morning session was a theoretical session about practical implementation of systems and processes to ensure the quality standards. He also highlighted the importance of developing and

enforcing quality policies, standard operating procedures (SOPs), and comprehensive documentation to ensure that every aspect of pharmaceutical production aligns with predefined quality parameters.

The forenoon session was based on hands on training and problem solving session. In this part the resource person dealt with the aspects like qualification, validation, GMP and GLP guidelines, Warehouse practices etc.
